¹ Soy is only present as soybean oil. Highly refined soybean oil does not usually cause an allergic reaction.

² Cold Smoked Salmon is raw, consuming raw or undercooked seafood may result in foodborne illness, especially if you have certain medical conditions.

³ Phenylketonurics: contains phenylalanine

Nutrition information is based upon standard recipes, and rounded per federal requirements. Variations may occur due to differences in suppliers, customized ordering, and product preparation at the restaurant. Test products or regional items may not be included and may not be available in all areas. A 2,000 calorie daily diet is used as the basis for general nutrition advice. However, individual caloric needs may vary. Visit www.mypyramid.gov for more information. Recommended limits for a 2,000 calorie diet are 20 grams of saturated fat and 2,300 mg of sodium.
